DUO SAFETY™ LOGO PROGRAM

Duo Helmets can be easily customized with high quality, permanent pad-printed logos. Unlike decals and stickers, pad-printed logos will not fade, crack or peel. Helmet customization differentiates your product, strengthens your brand and increases value.

- Low Minimums
- Quick Turnaround Times
- Competitive Pricing

DUO SAFETY™ Helmet Logo Pricing

1. *One Time* Artwork Charge: Artwork must be in camera-ready or vector format. Acceptable formats are Adobe Illustrator (.ai), Encapsulated PostScript (.eps) or FreeHand (.fh). If camera-ready artwork cannot be provided, a fee of **\$50.00** will be charged to recreate the artwork in an acceptable format.
2. *One Time* Plate Charges: Each color in a logo requires a separate printing plate. Plate Charge will be accessed as follows:

One Color: **\$60.00**
Two Color: **\$80.00**
Three Color: **\$100.00**

3. Pad-Printing Charges: Listed below are the pad-printing charges per helmet. These are added to the base price of the helmet and will apply to every order. Logos can be applied to the front, back and sides (four locations total).

	40-59	60-99	100-299	300-599	600+
1 Color Per Location	\$2.30	\$1.90	\$.95	\$.80	\$.75
2 Colors Per Location	\$2.75	\$2.30	\$1.25	\$.95	\$.90
3 Colors Per Location	\$3.20	\$2.75	\$2.00	\$1.35	\$1.25

Minimum order quantity is 40 helmets. Must be of the same SKU. Helmets must be ordered in case quantities (Cap Style: 20/case, Full Brim: 10/case).

How to order and what to expect:

Step 1: Email camera-ready artwork to your Cordova Representative. If non-camera ready, a \$50 charge applies.

Step 2: Cordova will email a proof within one week. Please see attached example.

Step 3: Customer returns signed proof along with a Purchase Order for a minimum of 40 helmets.

Step 4: Lead time is 10 business days from receipt of signed artwork proof and Purchase Order.

EXAMPLE

© 2010 by DuoCap

Pantone Matching System(PMS) is used for ink colors.
CMYK and RGB colors will be changed to the nearest PMS number (if a PMS number is not provided by the customer) unless otherwise specified.

Due to the color variations of individual printers and monitors, please always refer to the PMS number provided. When imprinting on our various color shells, the ink color may change in appearance depending on the color of the shell. For instance, a logo imprinted on a darker shell will appear darker than if imprinted on a lighter shell. When possible, a white background or underlay is suggested for logos imprinted on darker shells or if a gradient of color is included in the logo.
