

# Indoor Models

The Sentinel convex mirror line is manufactured from the finest materials available to offer years of dependable service and satisfaction. These mirrors, made of Grade A optical glass or shatterproof acrylic, provide a 160 degree view, and are available in both round and rectangle shapes. Furnished in an attractive, non tarnishable metal-like frame, Sentinel convex mirrors are compatible with every decor. Each mirror comes individually boxed, complete with adjustable hanging hardware for easy mounting on wall or ceiling.

Size	Model #	Distance Covered
