EXOFIT NEX™

TOWER CLIMBING HARNESS

The Best Keeps
Getting Better!

Covered Labels and i-Safe™
A velcro® cover protects the labels and positions them in an easy-to-access location.

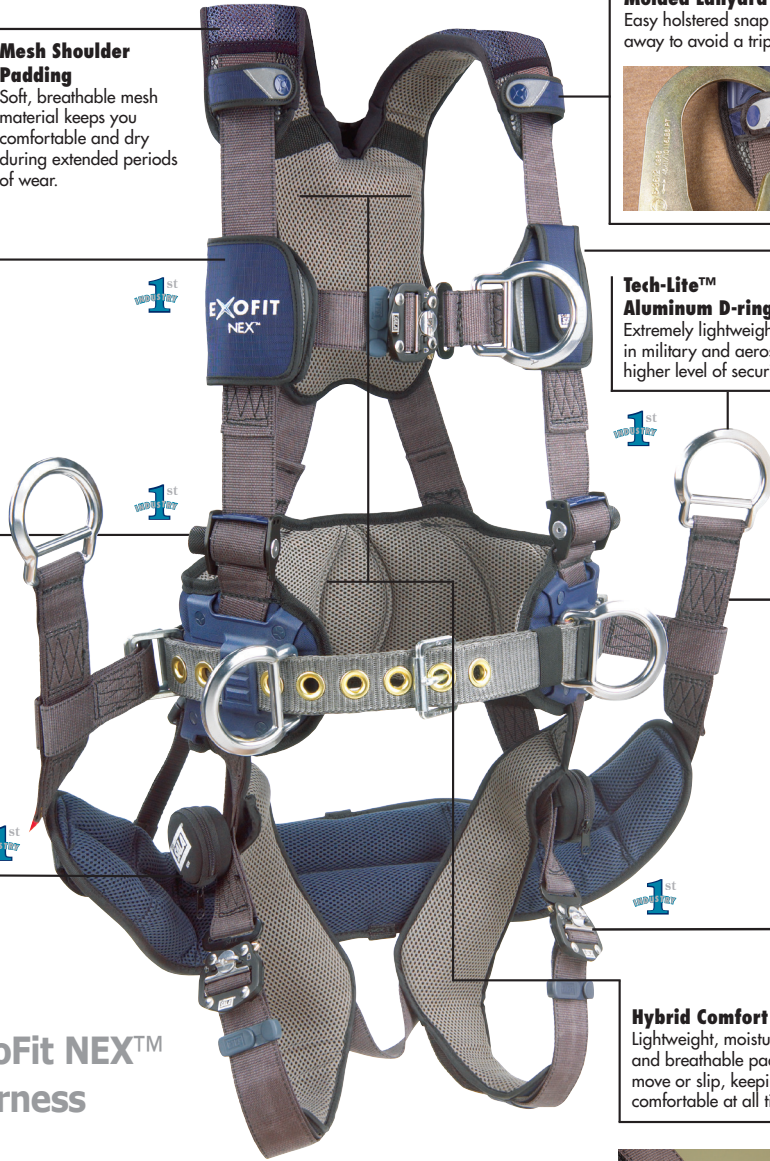

Mesh Shoulder Padding
Soft, breathable mesh material keeps you comfortable and dry during extended periods of wear.

Revolver™ Vertical Torso Adjusters
Simple and fast adjustment that eliminates loose ends and locks into place preventing slippage.

Integrated Trauma Straps
Provide an adjustable, continuous loop for post fall, minimizing suspension trauma.

Molded Lanyard Keepers
Easy holstered snap hooks break away to avoid a trip hazard.

Built-In Carrying Pocket
Conveniently holds and protects a cell phone, camera, or other items.

Tech-Lite™ Aluminum D-rings
Extremely lightweight alloy used in military and aerospace offers a higher level of security & comfort.

Repel Technology Webbing
Water repellent to reduce attraction of mold and dirt - also has up to 5 times more abrasion resistance.

Duo-Lok™ Quick Connect Buckles
Lightweight one-handed use with memory-fit web-lock ensures fast, non-slipping connections.

Hybrid Comfort Padding
Lightweight, moisture wicking, and breathable padding won't move or slip, keeping the wearer comfortable at all times.

Impact Indicator
Rip-stitch indicator allows the user to quickly and easily inspect the Harness for impact loading.

420 lb. Capacity
Large capacity adds to tool carrying options and jobsite flexibility.

Stand-Up Dorsal D-ring
Patented spring-loaded design automatically stands-up ensuring fast, easy and safe connections to your fall arrest system.

Reflective Material
For greater visibility in dark and dangerous environments, reflective material is integrated on legs, chest, shoulders and back.

Introducing the ExoFit NEX™ Tower Climbing Harness

With over 10 industry first innovations DBI-SALA releases the next version of the ExoFit NEX™ built for tower climbers. With additions built for the tower industry this harness brings workers the best features in Comfort, Function and Durability.
