28" Wide Area Vacuum Large scale vacuum power

Large working width ideal for vacuuming large areas.

Kärcher's CV 71/2 wide area vacuum is a dual-motor, low-profile design that incorporates on-board tools for fast, efficient cleaning of large carpeted areas such as hallways, convention and expo centers, hotel meeting rooms, schools and municipal buildings. The 6-position adjustable brush head allows the operator to clean virtually any floor or carpet type with just a single pass and a built-in suspension system that ensures consistent brush contact with the floor.

Adjustable Handle:

Adjusts for different operator heights and folds for compact storage.

Two motors ensures the highest possible suction from a 120 V, 15 amp wall outlet

On-Board Hose and Tools:

Easy cleaning in tight spaces and above ground areas.

Enclosed Bag-in-Bag Design: Four stage filtration system for improved indoor air quality.

28" Adjustable Roller Brush:

Six position roller brush maximizes cleaning performance on any floor surface.

Large One Bushel Capacity: Collection bag is filled from the top allowing increased capacity. Less emptying - more vacuuming!

Built-in Brush Suspension System:

Ensures consistent brush contact on surface.

Optional Accessories:

- Replacement Paper Filter Bags (10)
- Replacement Cloth Bag
- HEPA Filter Kit (2 filters and mounting bracket)
- Replacement HEPA Filter (2 required)
