**PL3072**, Wide Plasma/LCD Stand

## Model **PL3072** Wide Plasma Stand

Need to duplicate the functionality of an OEM dual plasma stand at a more attractive price and have the system roll around from room to room too? Create it with VFI Model PL3072 wide plasma cart.

Add the optional PM-S, PM-D or PM-XL plasma / LCD mount, and the optional TOA speakers, then you've got a roll-about system ready to your videoconferencing codec and other rack mount electronics. Add your own amp to make your roll about system complete!

Hidden behind the removable perforated metal side vents are mounts for 2 TOA panel mount speakers. And the perforated metal sides provide maximum ventilation for any electronics mounted in the standard 14RU rack rails.

The PL3072's wider footprint adds stability for dual monitor and internal space can be optionally configured as dual rackrail sides or dual shelves .

### Standard Features Include:

- Ready for VFI Plasma Brackets
- 14 RU rack mount rails on right side.
- 2 adjustable height shelves on left side
- Locking doors front and rear
- Ready for optional speakers behind removable side panels
- Maximum ventilation with perforated panels.
- Wide front wheel base for added stability
- 6 Premium casters with locking wheels.

### Options

- 2 Toa speakers and/or Toa 15w Amp.
- 14ru rackrails for other side
- VFI rack mount accessories
- 6 outlet power bar with 10 ft cord
- PM-S single plasma mount
- PM-D dual plasma mount
- PM-XL large plasma mount
