

Meter Connection Products: Overview

Georg Fischer Central Plastics entered the meter connection business in 1955 with the design and introduction of the insulated meter swivel and insulated union. We understand the critical nature of meter connections and we recognize the need for safe and reliable connections that can be used in a variety of meter connection applications.

With a product offering that includes standard and insulated swivels, swivel nuts and gaskets, insulated unions, customized meter sets, meter set accessories and more, GF Central Plastics is proud to be the largest single source manufacturer and supplier of meter connection products.
