

Plumbing Valves (WOG)

Mueller's Plumbing Valves are made to the highest quality and testing standards available. We offer a large selection of valves for a variety of residential, commercial and industrial applications. Our customers can choose from full port, forged brass ball valves to low pressure, low lead, hose-end valves. We also offer a broad range of gate, stop & waste, gas and specialty valves. All bronze/brass bodied valves have the Mueller brand cast on the valve body, a sign of assured quality and service.

- Most valves meet NSF 61-8 OR 61-9 low lead requirements
- Select valves are certified to CSA, UL, FM, ASSE and IAPMO standards
