

GATE VALVE • HEAVY DUTY • 300 PSI

BRONZE

- 300 PSI Non-shock WOG
- 150 PSI WSP Steam
- Meets NSF approved low lead standards
- ASTM B62 Material
- Non-rising stem
- Screw over bonnet for extra strength
- Five point cast iron handle
- Heavy bronze construction for quality and dependability
- Threaded ends comply with ANSI B1.20.1
- Solder ends comply with ANSI B16.18
- Meets MSS SP-80, type 1, class 150 lb. specification
- Solid wedge disk
- Full port for maximizing flow rate

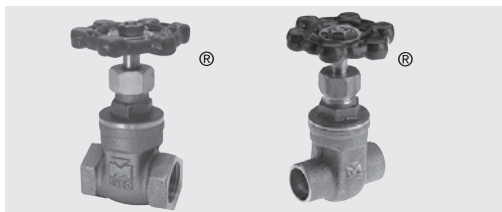

Part No.	UPC-A (032888)	Valve Size	Inner/Master Carton Qty.	Master Weight (lbs.)
Threaded				
100-202	002029	3/8"	10/100	59

100-709	007093	2-1/2" *	2/8	53
100-710	007109	3" *	2/4	38

* Screw in bonnet style

GATE VALVE • 200 PSI

BRASS

- 200 PSI Non-shock WOG
- 125 PSI WSP Steam
- Meets NSF approved low lead standards
- Full port
- Non-rising stem
- Cast iron handle
- Threaded ends comply with ANSI B1.20.1
- Solder ends comply with ANSI B16.18
- Available in Handy Carton (HC) bin box packaging

Part No.	UPC-A (032888)	Valve Size	Inner/Master Carton Qty.	Master Weight (lbs.)
