## RACK DRAWERS

Gator Cases offers a large selection of rack drawers designed for any of your rack needs. All Gator Rack Drawers feature fully enclosed 16 gauge cold roll steel construction. The heavy-duty smooth-glide drawer slides and spring-loaded latches make using these drawers effortless. The rack drawers are coated with a classic black powder finish for a clean, uniform look. For added security, drawers include a lock knock-out and a complimentary lock and key (not available on shallow rack models).

### Wireless Drawer Features:

- o 3U size drawer with wireless microphone nest
- o Nest stores 4 wireless microphones, body packs, headsets and accessories
- o Wireless storage accommodates microphones with clip still attached
- o Body pack and microphone storage area lined with Polyethylene foam and Tricot covered plywood dividers

### Wired Microphone Drawer Features:

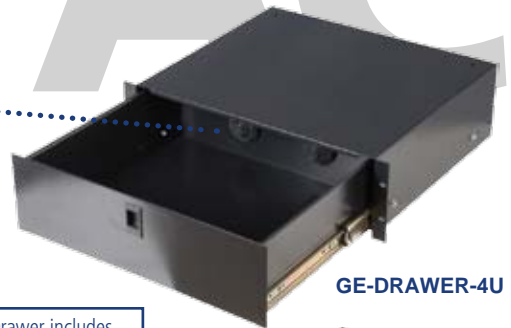

- o 2U Rack drawer stores 10 hard wired microphones
- o Each microphone cavity is 6.5 x 2 x 2

GE-DRAWER-3UDIV

Shallow Rack Drawer has a 10" depth for use in shallow racks

GE-DRAWER-3US

## COOLING FANS

- o UL Approved 110VAC flush mount 4.5" fan
- o GE-FAN-110-STD is standard fan design (110 CFM rating)
- o GE-FAN-110-QT has ball bearing quiet design (50 CFM rating)
- o Mounting hardware included

Model
GE-FAN-110-QT
GE-FAN-110-STD

## POWER OPTIONS

- o UL Approved 110v power strip
- o Main Power Switch

Model	Outlets	Mounts
GE-PDU-6UL	6	Horizontal
GE-PDU-12UL	12	Vertical
GE-PDU-18UL	18	Vertical

## RACK & KEYBOARD SHELVES

- Cold roll 16 gauge steel construction
- Black powder-coated finish

### Keyboard Drawer Features:

- Separate compartments for keyboard and mouse
- Rear access for cables
- Fits most standard small pattern keyboards

### Keyboard Shelf Features:

- Sliding shelf for keyboard with mouse shelf
- Fits most standard keyboards

### Standard Shelves Feature:

- Rear flange for rigidity

### Vented Shelves Feature:

- Elongated vent holes for optimum air circulation
- GE-SHLF-SLD-1U is a sliding vented 1U shelf

### Trap Shelves Feature:

- Clamping trap shelf with padded clamping bars
- 2U clamp range is 1.8"-2.5"
- 3U clamp range is 2"-4.3"
- 25 lbs weight capacity

### Universal Shelf Feature:

- Universal hole pattern for mounting smaller rack components

Model	Space Unit	Depth
GE-SHLF10-1U	1	10"
GE-SHLF15-2U	2	15"
GE-SHLFVNT15-1U	1	15"
