

CP-2RAM/2RAM

2 RCA to 2 RCA Stereo Audio Plenum Cable

Kramer's **CP-2RAM/2RAM** series dual RCA audio cables are premium quality plenum rated cables constructed of dual mini coax cable terminated with 2 molded male RCA connectors at each end. They offer outstanding durability and high-performance for any stereo unbalanced audio signal application where a plenum rating is required.

FEATURES

- **Plenum Rated** - The low smoke and fire-resistant properties of plenum rated cable allow it to reside in air return spaces of ceilings, floors, and walls, often saving the cost of installing conduit.
- **Quality Construction** - Constructed from flexible, high-quality plenum rated cable containing 2 mini coaxes. Gold contacts for corrosion resistance, long life, and precise connections.
- **Cable Specs** - See Kramer BCP-2X bulk cable for detailed specs.
- **Applications** - Ideal for routing unbalanced audio signals in professional A/V systems.
- **Varied Selection of Lengths** - Available in 10, 15, 25, 35, 50, 75, 100, 125 and 150ft versions (3 to 45.7m).

CP-3RVM/3RVM

3 RCA to 3 RCA Component Video Mini High Resolution Plenum Cable

Kramer's **CP-3RVM/3RVM** series plenum rated component video cables are constructed of mini coax cable terminated with molded male RCA connectors at each end. They offer outstanding durability and high performance for any analog component video signal application where a plenum rating is required.

FEATURES

- **Plenum Rated** - The low smoke and fire-resistant properties of plenum rated cable allow it to reside in air return spaces of ceilings, floors, and walls, often saving the cost of installing conduit.
- **Quality Construction** - Constructed from flexible, high-quality plenum rated cable containing mini coaxes.
- **Cable Specs** - See Kramer BCP-5X bulk cable for detailed specs.
- **Applications** - Ideal for routing typical component video signals in professional A/V systems.
- **Supports Standard Definition or HDTV resolutions.**
- **Varied Selection of Lengths** - Available in 10, 15, 25, 35, 50, 75, 100, 125 and 150ft versions (3 to 45.7m).

CP-3RVAM/3RVAM

3 RCA to 3 RCA AV Plenum Cable

Kramer's plenum rated video/audio cables are constructed of mini coax cable terminated with 3 molded male RCA connectors at each end. They offer outstanding durability and high-performance for any video/audio signal application where a plenum rating is required.

FEATURES

- **Plenum Rated** - The low smoke and fire-resistant properties of plenum rated cable allow it to reside in air return spaces of ceilings, floors, and walls, often saving the cost of installing conduit.
- **Quality Construction** - Constructed from flexible, high-quality plenum rated cable containing minicoaxes. Gold plated contacts for corrosion resistance, long life, and precise connections.
- **Cable Specs** - See Kramer BCP-5X bulk cable for detailed specs.
- **Applications** - Ideal for routing typical composite video and dual RCA stereo audio signals in professional A/V systems.
- **Varied Selection of Lengths** - Available in 10, 15, 25, 35, 50, 75, 100, 125 and 150ft versions (3 to 45.7m).
