

D-LINE™**22x22/30x30mm**

Quadrant (1/4 Sphere) D-Line

Typical applications

- Cable Path Floor Edging
- Benches and Worktops
- Coving and Cornices

Quadrant D-Line is ideal for hiding cables at floor level, or above worktops!

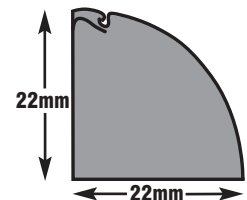

The patented hinged and click-lock lid in a unique single piece design makes the product easy to handle and **easy to later add or remove cables**.

D-Line is available in a range of popular colours or can be painted. Self adhesive backing for easy fitting.

D-Line is the perfect choice to hide wires in stylish profiles that simply blend with modern decor... **Saving the need to chase walls or lift floors!**

Compared to traditional floor edging D-Line can provide a unique cable path - bends save need to mitre corners - self adhesive saves need to tack or nail product.

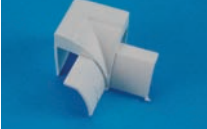

- **Stylish Design**
- **Hinged and click lock lid**
- **Flush fit accessories for perfect finish**
- **Choice of colours**
- **Self adhesive backing**
- **Can be painted**

D-Line Quadrant is the ideal solution to cover floor expansion gaps.

30x30mm Quadrant is also available for optimum capacity
