

**D-LINE™****50x25/60x30mm**

# Semi-circle D-Line

## Typical applications

- Wall Mount TVs
- Office Desk Legs
- Hiding Pipe Drops
- Concealing multiple cables

When concealing cables from (for example... wall mounted flat screen TVs) D-Line is the ultimate solution, **saving the hassle of chasing behind walls.**

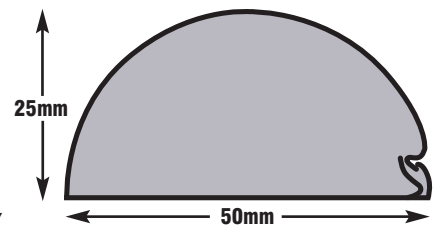

The semi-circle shape makes a stylish profile so D-Line 50x25mm matches both small and wider screen TVs.

The patented hinged and click-lock lid in a single piece design makes the product easy to handle and **easy to later add or remove cables.** Self-adhesive backing makes fitting easy, though for best results the lengths should be screw-fixed also.

Simply cut the PVC profile as required, then plug cables into Audio Visual equipment on fixture below.

Available in a choice of colours D-Line can match popular screen trim finishes, or wall colours. D-Line can also be painted.

- **Stylish Design**
- **Hinged and click lock lid**
- **Flush fit accessories for perfect finish**
- **Choice of colours**
- **Self adhesive backing**
- **Can be painted**

**60x30mm D-Line is also available for optimum capacity**
