

## SCREENED-CLEAN BEACHES: THE NEW STANDARD IN BEACH CLEANING

For those who are *serious* about a safe and healthy beach, raking is simply not good enough. Screened clean beaches are the new standard. Only with Cherrington Screeners can you aerate the sand and screen out dangerous debris hidden under the surface - in addition to picking surface litter like a rake. All in One Pass. Up to 6 inches deep.

Cherrington Beach Cleaners US Toll-free (800) 966-1588 or (701) 952-0226 www.cherrington.net Email: beaches@cherrington.net

Screen out rocks, coral, wood, litter, cigarette filters, glass, medical waste, and other debris. **Cherrington gets it all.** 

WHAT ARE YOU WILLING TO LEAVE ON YOUR BEACH?
