

Angus Agricultural Hose Products

Angus Understands Your Needs

For over 200 years, Angus has been a pioneer in the manufacture of high performance hose products. You have come to trust the Angus name and reputation for quality products, dependable service and honest warranties. Angus proudly manufactures right here in the United States in rural North Carolina, where many of our employees live on farms or grew up on farms. So, when it comes to agricultural hose products, Angus understands your needs.
