REPLACEMENT BAGS & HANGER STACKERS

Coupling bars are available to join caddie frames together.

Replacement bags are available for all bag holders, hospital carts & economy stands. They come in either **10oz canvas** or **200 denier white nylon**. Please specify size & style when ordering.

Hanger Stackers are great for efficient storage of metal hangers. Made from 5/16" steel they measure 30" high and are capable of holding 100+ metal hangers. The base measures 18" x 11". Specify **plain** or **plated** steel.
