

BONN-E-BLUE Padding

BONN-E-BLUE is a non-woven, double faced, needle punched, nylon flannel padding. Made from brand new nylon fibers, solid body for firm support. Extra fine yarns with a soft hand finish that cuts cleanly for proper shape. BONN-E-BLUE is of a uniform height and weight throughout and is economically priced. Weight is based on 1 yard x 54" wide.

- **50-Ounce:** Recommended for many cabinet body bosom presses. Thick enough for single-thickness pads on collars and cuffs plus all flatbed presses. The most popular weight non-woven flannel.
- **30-Ounce:** Ideal for collars and cuffs and all flatbed presses by using two thicknesses. Just rotate out worn pad with new pad.
- **20-Ounce:** Ideal weight of flannel when only a thin padding is needed.
