

Part Number: 40261

Description: Adams/Beckett electrode kit

Packaging: Poly bag with label

Includes

- 1 - 20070 Electrode assembly
 - 1 - 20417 Flame rod assembly
- For use on G2 gas burners.

Part Number: 40263

Description: Powerflame electrode kit

Packaging: Poly bag with label

Includes

- 1 - 26887 Electrode assembly
 - 1 - 26894 Flame rod assembly
- Used on Columbia boilers.

Adams Manufacturing Electrode Set P/N: 40261
 Used in Beckett models G2 gas burners.

Power Flame Electrode Set P/N: 40263
 Used in burner models C, J, & CG

Part Number: 40262

Description: Patterson-Kelley electrode kit

Packaging: Poly bag with label

Includes

- 1 - 26796 Electrode assembly
 - 1 - 26798 Flame rod assembly
- For use on burner models
 N-700 thru N-2000

Patterson-Kelley Electrode Set P/N: 40262
 Used in burner models N-700 thru N-2000

Part Number: 40264

Description: Wayne electrode kit

Packaging: Poly bag with label

Includes

- 1 - 28045 Flame rod assembly
 - 1 - 28047 Electrode assembly
- For use on burner models HSG200 & 400

Wayne Electrode Set P/N: 40264
 Used in burner models HSG200 & HSG400
