

NOBODY COMPARES TO OUR GUTS

STACK DRYER

Speed Queen®

Nobody compares with Speed Queen because you get more than quality products. You get peace of mind because you're dealing with a company that is committed to the multi-housing industry. You get the ongoing support of a national network of authorized Speed Queen Laundry Service Providers. And you get state-of-the-art electronic technology to maximize community laundry room profitability. What else would you expect from the world's leading supplier of commercial laundry equipment?

EXTRA-LARGE CAPACITY

means large loads aren't a problem with 18 lb capacity 7.0 cu. ft. (198 liter) cylinder delivers superior tumble action to handle permanent press fabrics

SILVER LINING

dryer cylinder, with galvanized steel interior, won't corrode, chip, crack or pit in normal use

DIGITAL DISPLAY

makes programming the machine a breeze, the easy-to-read display shows vend price, cycle time and cycle status

TOUCH PAD CONTROL

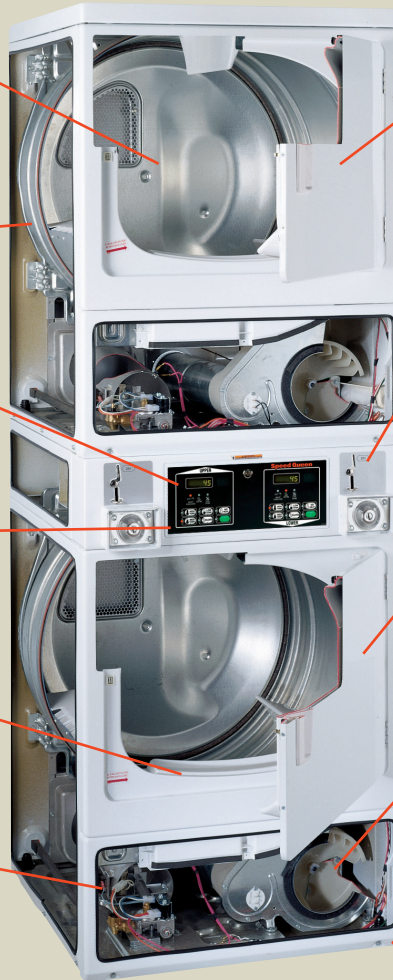

allows for easy selection of four temperatures and cycles

SECURED LINT FILTER

large, upfront is convenient to reach and easy to clean

FRONT SERVICEABILITY

means all major components can be serviced through lower access panel without disconnecting door switch

LARGE DRYER window option is available for improved load visibility

EXCLUSIVE SECURITY

features separate, reinforced coin vaults - access can only be gained with a special key, yet replacement is conveniently made without moving or disassembling unit

LARGE COIN VAULT

option is capable of handling \$150 worth of coins

REVERSIBLE DOOR

can open to right or left, so you can customize your laundry (solid door only)

SUPERIOR AIRFLOW

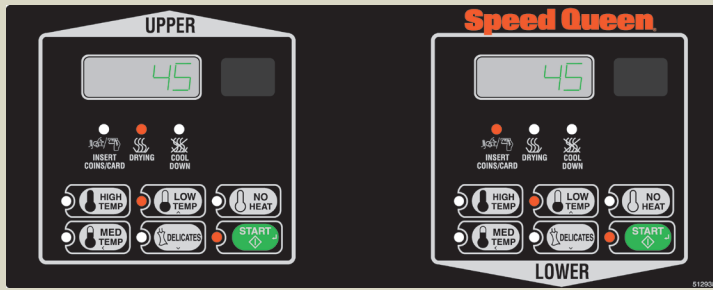

220 cfm (105 liters/sec)* and tumble action generated through 1/3 HP (.25 kW) motor with quiet, efficient blower assembly
* Measured at point of exit from dryer

LEVELING LEGS

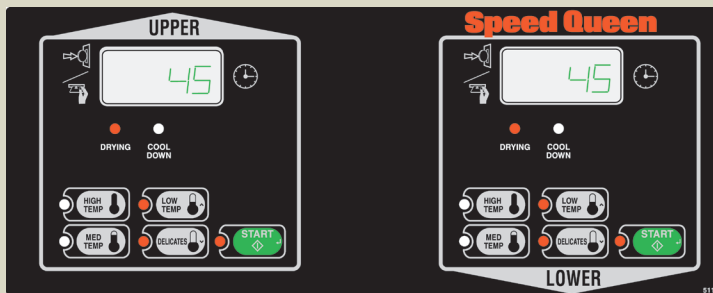

can be adjusted from inside dryer to aid in tight installations
