

VNS2086 - Indoor / Outdoor Siren

VNS1021

VNS2200

The **VNS2086 Indoor/Outdoor Siren** is designed to provide a loud, self-contained electronic siren for indoor/outdoor alerts when immediate attention is needed.

The VNS2086 is used with the **VNS2200** wireless audio/visual controller or **VNS1021** wireless controller and is ideal in applications where the installation of traditional hard-wired sirens is impractical or too costly.

Key Features:

- High Audio Level Siren (118 db)
- Weatherproof Housing for Indoor and Outdoor Installations
- Produces Two Distinct Tones
- Easy Installation
