# SANUS Flat-Panel Series Furniture

## Sleek lines and innovative structure support large TVs with grace

SANUS Foundations Flat Panel Series TV stands are the perfect alternative when wall mounting is not possible. This sleek, modern line offers extra-strong aluminum construction and thick tempered-glass shelves to support nearly any combination of AV components. Features include an integrated cable management channel and the patented Virtual Axis™ fingertip tilting technology.

Strong tempered-glass shelves are height adjustable to accommodate any AV gear arrangement

Integrated cable channel conceals and routes cables inside column for a clean appearance

Tempered-glass is heat-treated for strength and safety

Included flat-panel TV mount features Virtual Axis™ technology for smooth fingertip tilting motion
