

SANUS Steel Series Speaker Stands

The perfect home theater solution

The ultimate speaker stands for serious audiophiles, each Steel Series stand features a heavy-gauge steel base and twin heavy-gauge steel pillars, which can be filled with sand or shot for added mass and superior vibration reduction. This heavy foundation is isolated from the top plate by cork resonance damping rings, resulting in an ultra-solid stand for superior acoustics.

SF26b / DFV50-CN1

Heavy-gauge steel construction provides extreme rigidity and stability

Large heavyweight base includes carpet spikes and rubber feet for ultimate stability on any surface

Center-channel stand tilts speaker to focus sound using adjustable studs or neoprene speaker pads

Cork resonance damping rings isolate vibrations to help provide superior acoustics
