SANUS Platinum Series Furniture

The perfect addition to any home theater

The Platinum Series was designed to accommodate widescreen flat-panel TVs and AV components. Featuring a durable powder-coated finish, strong tempered-glass shelves and extra-large wire and cable management channels, these pieces provide the enhanced strength and intuitive design needed to handle large home theater arrangements.

PFV48-B1 / EFSatb

Extra-large cable management channels conceal and route complex cable arrangements

Adjustable tempered-glass shelf holds up to 50 lbs to provide added strength and safety

Sleek black glass and black powder-coated finish make this modern piece a great addition to any home theater

Open architecture allows unrestricted airflow to keep components cool
