Model #: PSCLAMP

Power Strip Mounting Clamp

Highlights

- Mounting clamps fit a diameter from 3/4" to 2 1/4" and work in a variety of applications
- Compatible with any Tripp Lite Medical-Grade Power Strip
- Mounting kit includes optional drip shield and cord management system

Description

The PSCLAMP securely mounts power strips in a variety of applications, including IV pole, bed, crib, etc. The power strip mounting kit includes an optional drip shield, cord management system, and mounting adapters that fit a diameter from 3/4" to 2 1/4", allowing for power strips to be mounted in those areas where wall outlets are just not practical. The drip shield protects the power strip from liquid, and the cord management system reduces tripping hazards while protecting the unused cord from damage. This unique design, with patent pending, works with all Tripp Lite Medical-Grade Power Strips. Patent pending.

Applications

- Mounts power strips in a variety of applications, including IV pole, bed, crib, etc.

Features

- Securely mount any Tripp Lite medical-grade power strip with the PSCLAMP
- Perfect for attaching power strips on mobile applications where multiple pieces of equipment are required
- The mounting kit includes an optional drip shield and cord management system to provide protection, prevent cord damage and reduce tripping hazards
