

# ON-PREMISES LAUNDRY **HARDMOUNT** SCN030KV

## FEATURES & BENEFITS

- Advanced water protection alerts owners if the washer has a stuck drain, slow drain condition or leaking inlet valve, which helps conserve water.
- Rugged door handle and new lock mechanism ensure easy opening and closing and reliable locking — no more door lock error codes.
- New dual triple-lip seals and a stainless steel sleeve around the trunnion, deliver the strongest line of defense in protecting the bearings against the damaging effects of moisture.
- Four-compartment chemical dispenser adds chemicals at the right time, automatically saving staff time. The new dispenser design eliminates over-sudsing conditions. Four external supply signals also are included on Quantum Gold models.
