

FLATWORK FINISHERS

When “good enough” isn’t good enough, our roll or chest-heated ironers are ready to get the job done. Top-notch performance that includes safety features to match.

With a wide range of electric, gas or steam models, these machines are guaranteed to get the job done quickly, efficiently and effectively. On-premises laundries at hotels, restaurants and other sites who rely on the highest quality results will benefit from excellent final linen products and reduced operating costs.

FEATURES

Constructed from heavy-duty steel frames and cylinders

Adjustable ironing speeds

No lubrication required

1-year limited warranty on non-wearable parts

FLATWORK FINISHER CONTROLS

MICRO CONTROL

Efficient and user-friendly, our Micro Control enables you to regulate temperature and reduce energy consumption.

Ironers are available with a variety of roll diameter and finishing widths from 8" roll and 55" width (200 mm, 1400 mm width) to 20" roll and 126" width (500 mm roll, 3200 mm width).
