

SOLID SURFACE

Notes on Solid Surface:

If a toilet partition is damaged by graffiti, the surface can be renewed. If the product is damaged by etching or deep scratches, the damaged area can be repaired. Most can be brought back to their original look with minimum hassle and expense.

Floor Mounted Solid Surface Partitions

Solid Surface toilet partitions can be constructed in Overhead Braced, Floor to Ceiling, Ceiling Hung and Euroline.

Ceiling Hung Solid Surface Partitions

Ceiling Hung toilet partitions are constructed with 1" stiles and 1/2" doors and panels. It is mandatory to use solid surface shoes and continuous "U" brackets at all locations.

STRENGTHS

- Durable Material
- Good Moisture Resistance
- Repairability
- Anti- Microbial
- Fire Rating Class A

Ampco® solid surface compartment systems are perfect applications where practical elegance, rugged durability, and ease of maintenance are important considerations. Luxurious colors and patterns throughout the material thickness offer the added advantage of easy on-site repair. Impervious to water, moisture and heat. Features a Class "A" fire rating.

Solid Surface contributes to sustainable building design. It has exceptional durability and extended life cycles, offering a beautiful and cost-effective surface with the added value of reduced waste.

Nontoxic and non allergic. Material has natural anti-microbial features.

Its nonporous, and with proper cleaning it does not support the growth of mold, mildew, and bacteria, which makes it an excellent option for hospitals, hotels and restaurants.

CONSTRUCTION FEATURES:

- 1" (25mm) thick stiles
- 1/2" (12mm) thick doors and panels (3" reinforcement strips applied to vertical edges of doors to support hardware)
- Stainless Steel Hardware
- Overhead braced or floor to ceiling construction
- Heavy Duty three surface mounted cast stainless steel hinges
- Class A Fire Rating

OPTIONAL FEATURES:

- 3/4" (19mm) thick door, stile and panel
- Ceiling Hung (Restrictions Apply)
- Continuous stainless steel wall brackets and hinges
- Concealed hardware features eliminate fasteners from visibility on outside of compartment
- Euroline™ hardware (See on page 17)
