

STACKERS & LIFTS

Heavy Duty Winch Operated Stacker

• A compact economical alternative to battery stackers.

Perfect for loading and unloading trucks where docks don't exist. Heavy-duty safety Winch is easy to turn, even with heavy loads. Straddle legs adjust from 34"-50" I.D. 36" adjustable forks. Easily maneuvers in tight areas on 5" swivel casters and 4" front rollers. Floor lock secures the stacker in place. 750 lb. capacity. 60" lift height, 3" lowered height.

FOB Shipping Point.

HMW750 Wt. 355 (lbs.) Price Ea. \$1,522.56

Heavy Duty Electric Hydraulic Stacker

• Ideal for facilities without loading docks.

Rugged heavy-duty all welded design for superior performance. Designed for all types of applications including lifting and transporting skids, bales, baskets, etc. Also for loading and unloading trucks, stocking shelves, die and mold handling and will handle all sizes of pallets. Maneuvers easily in congested areas. 1,500 lb. capacity. Straddle legs adjust from 41"-50" I.D. Adjustable 42" forks. 4" front rollers and 6" rear swivel casters. Includes battery and onboard charger with 6-8 hours on full charge. Floor lock secures stacker in place. FOB Shipping Point.
