Navigator

- Standard 30" fixed rails on both sides and a rear guardrail.
- Optional folding rails are available on both sides of the steps to allow easier access for stocking and retrieving.

The Navigator is ideal for stock rooms and retail environments that are looking for a safer alternative to A-Frame ladders. Specifically designed with a compact base to allow safer access to stock in confined areas and for use in narrow aisles. The raised base frame allows the ladder to straddle corners when turning. Includes the patented safety feature of the weight actuated Lock Step, which prohibits the use of the ladder while in the rolling position. Comfortable 14" Deep Top Step. Rugged 450 lb. capacity. Rolls on four 4" swivel casters. The All Directional caster design provides 360° turning radius. Comes standard with solid steel steps with abrasive Non-Slip mats (other treads styles available). Durable Gray powder coat finish. Available to be boxed -- call for more information. FOB Shipping Point.
