Work Bench ACCESSORIES

Shelf Riser

Expand your working space and storage area with ergonomically designed shelf risers.

Lower Bench Shelf

Keep working tools and items out of the way to concentrate on the job at hand. Features 1" rear flange for easy attachment to bench and provides additional reinforcement.

Back And End Stops

Securely enclose your work area by preventing items from falling off work bench. Extends to 3" above top and tapers to 1½" at front.

Electrical Outlet Strip

Attaches easily to all types of work benches. Will carry 15 amps of current at up to 125v. UL approved. Should be installed in accordance with local codes.

Pick Racks

Picking racks conveniently allow easy hanging of plastic bins for additional on-hand storage.

Bench Drawers

Conveniently stores supplies, tools, and other on-hand items vital to your working needs. Available in low profile, double height, and expanded drawer model sizes. Bench drawers can be fitted with grooved key bench drawer lock to secure your stored belongings.

Leg Leveler

Functional accessory helps keep your work surface level and stable. Can be adjusted manually to make up for uneven flooring. Fits adjustable work bench leg only.

Adjustable Work Benches

- Add a custom fitting work station to your shop floor.
- Adjustable work benches provide a perfect fit for your workplace needs.

Benches adjust from 29" - 38" high allowing for a tailored working height. Built with steel channel legs and welded steel cross member for added strength and durability. Adjustable benches also include stringer for added bench stability. Electrical knockouts on each leg offer space for duplex outlet boxes (not included) and subsequent electrical hookup. Optional leg levelers easily adjust to uneven flooring. Expand storage space with optional bench drawers. Available in five bench top options (see work bench top description). FOB IL., PA., CA., TX., GA.

Adjustable Slide Bolt Work Benches

- Positions from 29" to 37"H. for working comfort.
- Help improve working comfort and productivity with these slide bolt adjusting work benches.

A working height of 29" to 37" can be positioned to ensure an ergonomically correct working level. Built-in bolts secure legs within an infinite 8" sliding range. Includes stringer for additional support and durability. Pre-engineered design allows for expansion with bench risers, picking racks, electrical outlet strip, back and end stops, and bench drawers. Five different work surfaces are available (see work bench top description). Available in Dove Gray and Putty colors. FOB IL., PA., CA., TX., GA.

Flared Work Benches

- Multi-purpose, heavy-duty, fully expandable.
- Flared leg work benches are designed and built for tough, heavy-duty action in any shop environment.

Heavy channel steel flared legs provide a sturdy and dependable base for an array of demanding tasks. Steel cross members, precision welded between each upright, add even more strength and rigidity. Can be secured to the floor with base plates punched for floor bolts to provide 25 square inch floor bearing surface per leg. Pre-engineered design allows for complete accessory expansion. Available in five different work surfaces (see work bench top description). FOB IL., PA., CA., TX., GA.
