

RACK MOUNTED CHARGER SHELF

Packs a lot of power into a small space by turning any product with a 19" rack rail into a mobile device charging space.

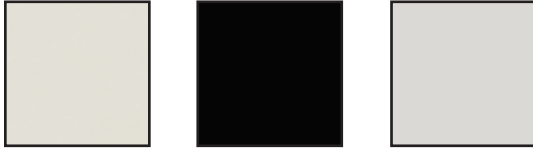

MDM6RACK-CT

FEATURES

- Each shelf provides an affordable storage solution to store and charge up to six small laptop computers, tablets, e-readers, or other mobile device.
- Includes a UL listed, surge protected 12-outlet power strip with plenty of room to accommodate plugs with large adapters built into the ends and still provide extra outlets.
- Plastic divider shelves may be removed to store and charge larger equipment.
- Compatible for use with the Bretford, EDUPST series Presentation Shuttle, EDUT series Instructor's Tech Desks, TCP series of PAL Presenter's Assistant for Learning carts, TC15 series of rack mount carts, UCS880 series of multimedia workstations, or any product which includes a 19" rack rail system.
- Rack mounted charger shelf requires a minimal space of six rack mount units, additional space may be required depending upon the type of technology stored.

STANDARD FINISH OPTIONS

ENVIRONMENTAL & SAFETY SPECIFICATIONS

POWDER COAT PAINT

All steel components are finished using a powder coat paint that greatly reduces VOCs while providing superior durability.

RECYCLED CONTENT

Steel components are constructed with prime steel and feature a 25% to 35% post-consumer recycled content. Steel components are 100% recyclable at the end of the product life cycle.

UL LISTED POWER SOURCE

12-outlet electrical unit is UL listed for use in the United States and Canada.

CONSTRUCTION SPECIFICATIONS

SHELF ASSEMBLY

The lower support shelf is constructed from 16-gauge steel and the backstop plate is constructed from 18-gauge steel. Seven divider panels are constructed from lightweight plastic and are removable for use with larger equipment. The lower support shelf includes two mounting holes to attach a 12-outlet power strip using two machine screws and nuts. The Rack Mounted Charger Shelf secures into place on a 19" rack rail system utilizing four machine screws.

WARRANTY

Provided normal intended usage applies, Bretford warranties the MDM6RACK shelf for 12-years, at date of shipment, against defects from materials or workmanship. 12-outlet power strip is warranted for 1-year, at date of shipment.

MADE IN THE USA

The MDM6RACK is made in the United States, included power strip is made in China.
