ACCESSORIES/QUATTRO CPU HOLDER

QUATTRO TOWER CPU HOLDER

FEATURES

- CPU tower holder attaches to the underside of rectangular Quattro Computer or Quattro Voltea Computer tables. CPU tower holders are not designed for use on Trapezoid Quattro Computer tables, however, two holders will fit in the center section. When mounted in the center the trapezoid table will only allow seating for two computer workstations.
- Two sizes to choose from, QWTMTC supports Slim Towers and adjusts from 3-1/2" to 5-3/4" wide and QWTCPU supports standard towers and adjusts from 6-1/2" to 11-1/2" wide. Attach one under either side of any 36"-48"w table, two under 60" and 72" tables, and three under 84"s tables. Please note that larger CPU towers will reduce the amount of space available for legroom under tables.
- Quattro CPU holders may be mounted at the ends or center of the table top, guide holes are provided.
- Holder is constructed from 16-gauge "prime" steel which has a 25% to 35% post-consumer recycled content. Complies with the GREENGUARD Environmental Institute's GREENGUARD Children & Schools Indoor Air Quality standards, contributing to points toward Leadership in Energy and Environmental Design (LEED) Certification.
- Finished in Black (BK) or Grey Mist (GM) powder paint to match Quattro tables. Also available by special order in any powder paint offered by Bretford as part of the Basics Color Program.

DIMENSIONS

QWTMTC-_: 3-1/2" to 5-3/4"w x 10"d x 20-3/8"h

QWTCPU-_: 6-1/2" to 11-1/2"w x 10"d x 20-3/8"h

CPU Mounting Distance From Table Edge: 5"

WEIGHT AND FREIGHT CLASS

QWTMTC-_: 9 lbs., Freight class 70 UPS

QWTCPU-_: 10 lbs., Freight class 70 UPS

Both ship ready to assemble in one (1) carton pack

COLOR/FINISH

Black (-BK) or Grey Mist (-GM) powder paint

Available by special order in any Bretford powder paint finish
