

Apex

The first spring-roller screen with automatic ceiling closure.

The Apex features a white closure panel which seals the ceiling opening when the screen is retracted. Trim flange finishes the installation, whether in a suspended or drywall ceiling. Bottom of case and closure are finished in ceiling white.

Your choice of a conventional viewing surface: Matt White, Glass Beaded or High Contrast Grey.

System Options

- **Extra Drop**—Up to 8' overall height, either surface color or black. (Surface color is standard in AV format, black for all other formats.)
- **Black Masking Borders**—Borders are optional for Apex in AV format. They are standard for all other formats.
- **Control Options**—Aluminum operating pole is furnished in 4' and 6' length, as required.

Dimensions, drawings and specifications available at:
www.draperinc.com/go/Apex.htm

Access/Series M

The same easy installation as other Access models in a convenient manual screen.

Manual, spring-roller operated screen for quiet and smooth operation in your choice of a conventional viewing surface: Matt White, Glass Beaded or High Contrast Grey.

System Options

- **Extra Drop**—Up to 12' overall height, either surface color or black.
- **Black Masking Borders**—Borders are optional in AV format, standard for all others.
- **Available with AutoReturn™**—See page 20 for details.

Dimensions, drawings and specifications available at:
