

BRETFORD BASICS®

ACCESSORIES/FURNITURE ELECTRICAL UNIT

ECF6

6-Outlet electrical unit for Bretford tables and select audio visual carts

ECF6

FEATURES

- Electrical units quickly and easily attach to Bretford computer tables and carts and select audio visual carts using a steel mounting plate and pre-drilled holes on the furniture. Mounting holes are on 16-3/4" centers.
- Features 6 electrical outlets with surge and overload protection and an on/off switch.
- 20' long, 14-gauge, 3-wire power cord with grounded plug lets you set up anywhere in the room and still reach your electrical outlets.
- Includes all required hardware for mounting to computer tables and carts and specific audio visual carts. Retrofits onto existing Bretford computer tables by using pre-drilled holes in the cord management bin or modesty panel.
- Designed for use on Bretford Basics computer tables; multimedia tables and desks; and select computer and audio visual carts.
- Power strip snaps onto mounting plate using four pem-studs and can be removed by sliding the unit left or right to release it from the studs.
- UL listed as Relocatable Power Tap for use in Canada and the United States.
