## UNIVERSAL SMALL FLAT PANEL WALL MOUNT

**FPSM-W Series** VESA compliant small format wall mounts support a flat panel up to 30 lbs.

NOTE: Metal wall studs are never suitable for mounting a monitor of any size. Always use a professional installer. Warranties are void when improperly installed.

### FEATURES

- Mounts use a VESA compliant plate that has a 100 mm square or 75 mm square hole pattern to fit the mounting screws built into the back side of the monitor case.
- Cast aluminum mounts feature an Aluminum powder paint finish and holds flat panel monitors up to 30 lbs. Suggested for up to a 30" flat panel monitor.
- Flat panel monitors may be switched from landscape to portrait mode by simply turning the monitor which provides easy adjustment for a variety of viewing positions and if the mounting plate is not positioned exactly vertical on the wall.
- Features a +/- 45° tilt adjustment for best viewing angle.
- Available in low profile (FPSM-W-0-AL), single arm adjustable (FPSM-W-1-AL), and dual arm adjustable (FPSM-W-2-AL) mounting styles.
- Single arm (FPSM-W-1-AL) and dual arm (FPSM-W-2-AL) mounts include cable management clips that mount to the underside of the arm and keep power and data cables neat.
- Mounting hardware not included. Appropriate hardware should be purchased dependent upon your individual installation. Always use a professional installer when mounting a monitor to the wall or ceiling.

### DIMENSIONS
