- PA919SP** Non-powered support speaker \$824

PowerPro™ Packages

Wireless SD

Accommodate groups of up to 2,000 people with this PowerPro bundle. The PA919SD combined with a wireless companion speaker (PA919PS), a wireless handheld mic (Q319), a wired mic, remote volume control, two tripods, and mic stand (not shown) are included in this value-packed package. Since the PA919SD transmits audio without cables, adding additional PAs for larger groups is as easy as matching the frequency of the additional companion speakers to the PA919SD.

PA919SD-A \$4,580
PA919A with PA919 instead of PA919SD \$4,536

Deluxe

This package features the PA919 with a non-powered support speaker (PA919SP), one wireless and one wired mic, mic holder, tripods, floor stand and speaker cable are included.

PA919D \$3,845

Watch the video of how to use wireless mics with the PowerPro

Basic

This value package provides the basic components for high quality audio with a PA919, tripod, wired mic, and mic holder with floor stand.

PA919B \$2,736

Unfamiliar with how to work PA gear?

We can help! Learn about PA features and how to use them in our special series of blog articles

PowerPro Companion Speaker

Use this versatile, stand-alone wireless PA wired and/or wireless companion speaker for the PowerPro models that can also be tuned to the same frequency as a wireless PresentationPro. Its 16-channel UHF wireless mic receiver offers maximum flexibility in a variety of applications.

PA919PS (shown top right corner of this page) \$1,550

PowerPro Companion Speaker Kits

Simple plug and play is easy to use. Just turn on the power and match the receiver and the wireless mic to the same 16-channel UHF frequency. Choose between two different wireless systems – one with a wireless handheld mic and the other with a hands-free lapel mic and backpack transmitter.

- PA919PS-E** PA919PS with Q319 wireless handheld mic \$1,710
- PA919PS-F** PA919PS hands-free operation with M319 backpack transmitter and lapel mic \$1,707
