

CertainTeed
swiftstart

Start off on the right shingle

CertainTeed Swiftstart metric starter shingle is designed specifically for use with CertainTeed Landmark™ Series shingles. Rather than cutting expensive field shingles to use as starters, you can save time and money by starting with Swiftstart.

- Reduced installation time, so jobs are finished faster
- Recommended for use to obtain enhanced warranties
- Code-compliant, meets min. 2" headlap requirement for metric shingles; many competing products do not
- Each 18-piece bundle covers 116 linear ft.
- Precision sealant for proper sealing at the eaves
- Works with all metric shingles that are similar to Landmark

18 two-piece units

Separate to make 36 Swiftstart starter shingles
