

# ELECTRIC HOISTS

## JET Single Speed Electric Chain Hoists

- Rugged design for commercial and industrial applications.
- Features totally enclosed steel plate construction with a durable powder coat finish.

Gear train is permanently lubricated, no oil changes required. Heavy-duty ventilated motor with single phase models featuring thermal overload protection and three-phase models with reverse phase protection. Upper and lower limit switches prevent over-travel. Convenient quick connect wiring for power and push button controls for ease of installation and maintenance. Reliable DC electromagnetic brake holds load if power is interrupted. FOB Shipping Point.

Above hoists complete with 18' 2-button control cord, 6' power cord, safety hooks and heavy-duty chain container.

Note: Single phase units are prewired 230V; Three phase units are prewired 460V.

## JET L-100 SERIES CHAIN HOISTS

- All steel construction with a durable powder coat finish.
- Lightweight, compact design for low headroom applications.

Triple-spur gears provide high efficiency with a minimum of effort. Heat treated and hardened 100 grade load chain. Dropped forged alloy steel safety hooks feature wide throats for ease of rigging. Models available with slip clutch overload protection. FOB Shipping point.
