

Security. Simplicity. And now... Personal Style!

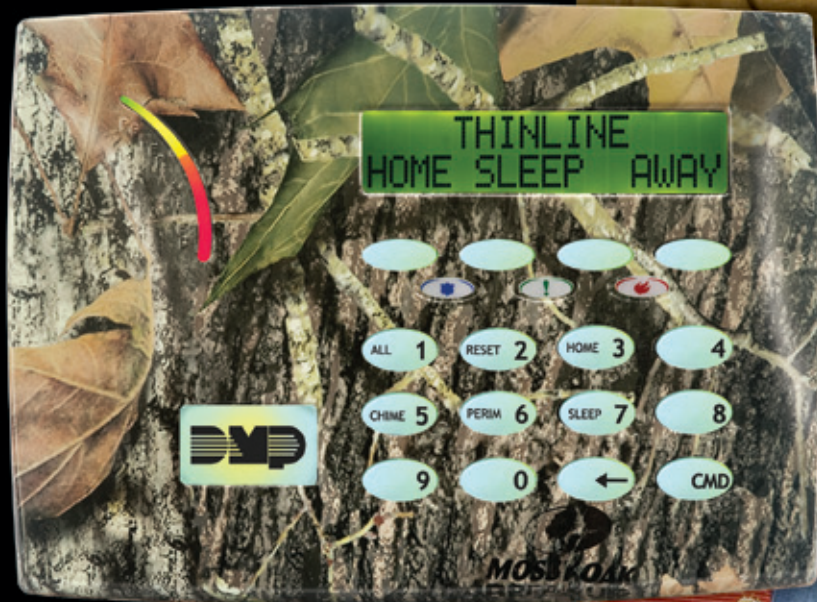

Designer™  
SERIES

MAKE YOUR SECURITY SYSTEM KEYPAD

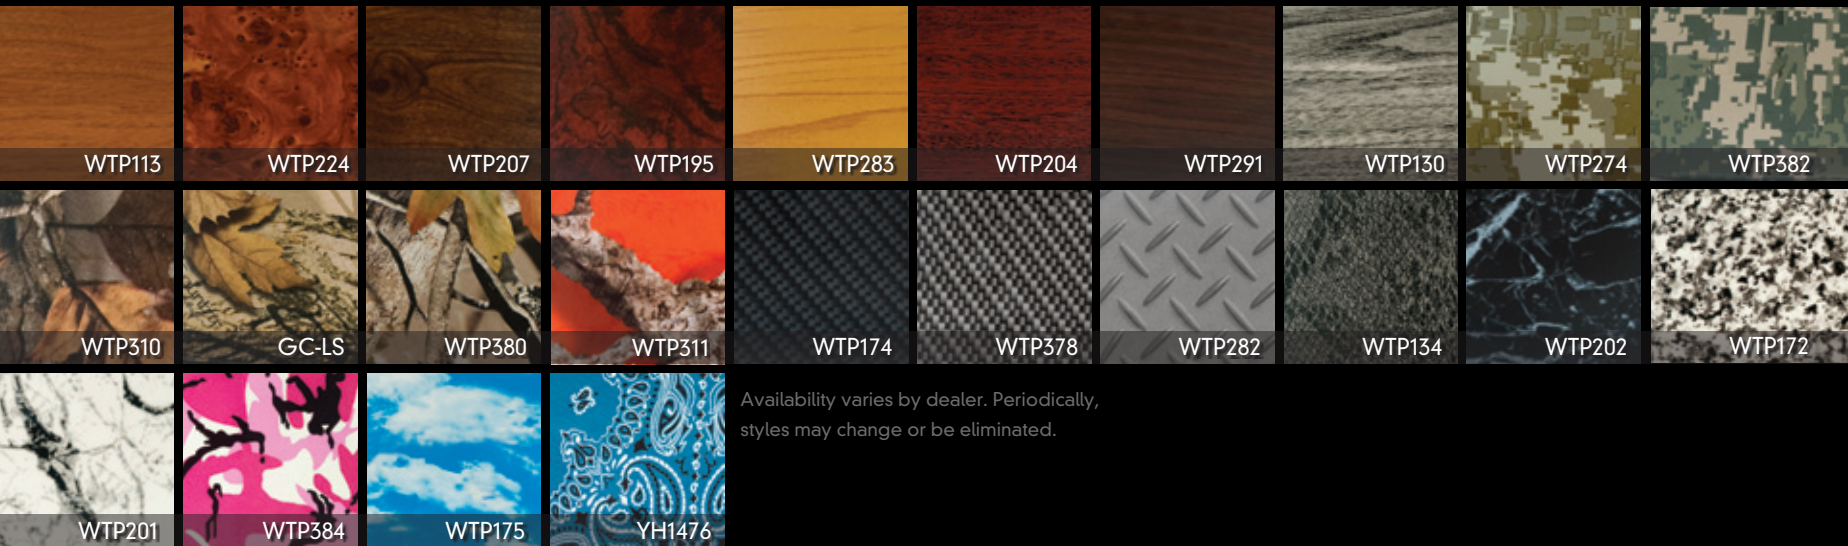

BLEND IN OR STAND OUT WITH A

DESIGNER SERIES KEYPAD COVER.

Thinline™ and Aqualite™ keypads already combine strong security features with simple operation. Now add a touch of style with the innovative Designer Series Keypad cover that transforms your keypad into a vibrant statement of your individuality.

Choose wood grain, camouflage, metallic, or one of a multitude of designs. Now enjoy the stylish addition to your décor and your security system.

**Innovation at your fingertips!**
