The **iS Shackle Tag** is a unique anti-theft solution that can effectively increase merchandise protection. This Checkpoint tag is the perfect fit for high-profile, high-risk items such as hockey sticks, golf clubs and other sports equipment, shoulder bags, luggage and hardware. The hinged design opens wide for easy attachment and keeps merchandise secure until detached at POS, and its sleek profile easily integrates with current retail planograms. Its unique one-piece construction makes it extremely difficult to defeat, even with a tool. Available only from Checkpoint.
