

# TIME & ATTENDANCE Facial Recognition Terminal

faceAXS LT is industry first embedded facial recognition system for T&A with leading "Dual Sensor" Facial Recognition Algorithm, which makes facial recognition more faster and accurate, different source-light within Infrared-light based technology enable the system works well under different environment.

## Main Advantages

- "Dual Sensor" Core Technology Algorithm for fast processing and matching speed:
  - ✓ Fast identification - 1 second 1:N for 300 users
  - ✓ Large capacity - 100,000 records / 300 users
  - ✓ FAR < 0.001% / FRR < 1% / FTE < 0.0001%
  - ✓ Reliable performance under different environment even in the dark
- Stability of hardware
- faceAXS has got Patent for Inclined Image Capture Device and Facial Recognition System
- Contactless enrollment and verification makes the hygienic user experience
- No extra cost to pay for badge or paper card
- Incident trackable: facial technology can capture picture for tracking after identification

## Technical Specification

<b>Processor</b>	Digital high speed processor
<b>Users Capacity</b>	300 Users (faces) on 1:N matching
<b>Records Capacity</b>	100,000 Records
<b>Recognition Algorithm</b>	Sensor Dual™ V3.0
<b>Sensor</b>	Specialized dual sensor
<b>Authentication Method</b>	Face, ID + Face, ID + PIN
<b>Authentication Speed</b>	Less than 1 second (300 Users) on 1:N matching
<b>Keyboard</b>	4*4 Touch keypad
<b>LCD</b>	3.5 inch TFT color screen 65,000 Bright colors 320*240 Resolution
<b>Communication Method</b>	Standard TCP/IP USB Host (for uploading/downloading info via USB Flash Driver)
<b>Language</b>	Spanish / English
<b>Power</b>	12V DC
<b>Working Distance</b>	30 - 80 cm
<b>Operating Temperature</b>	0°C - 40°C
<b>Humidity (Operation)</b>	20% - 80%
<b>Size (W x H x D)</b>	230* 105* 130 mm
<b>Weight</b>	570g
<b>Certification</b>	CE, FCC Class A, RoHS

### About EasyWay Biometrics

EasyWay Biometrics is the new brand of innovative fingerprint solutions for Time & Attendance and Access Control needs. Every EasyWay terminal has been designed with international quality standards, combining fashionable design with outstanding performance

EasyWay uses the latest technology to create products that provide a functional solution for customers who need low cost T&A and Access Control solutions.
