One-Piece Elongated Toilet
K-3828-0

Cimarron® Toilets
One-Piece, Two-Piece and Touchless Options

THE BOLD LOOK
OF **KOHLER**®

Cimarron® Toilets   One-Piece, Two-Piece and Touchless Options

With its versatile, fresh design, the Cimarron Comfort Height® toilet complements a range of decors from contemporary to classic.

Smarter Power
Flushes 4x more than the average adult needs

AquaPiston® Flush
Delivers powerful flush to virtually eliminate clogs — no flappers, no leaks, no problem

Comfort Height Bowl
Taller bowl height makes sitting and standing easier

WaterSense®-labeled toilets use 20% less water than standard 1.6-gallon toilets while still meeting strict flushing performance guidelines.

AquaPiston Flush Engine
A 3:2 ratio between AquaPiston's inlet and outlet valve harnesses the force of gravity to send water rushing into the bowl from all sides — delivering maximum power.

DryLock™ Fast Install System
Featured on Cimarron two-piece toilets, the DryLock fast install system makes no-leak installations fast and foolproof — requiring only a socket wrench to secure the tank to the bowl and eliminating bolt holes drilled into the tank.

Touchless Options

Touchless Technology
The no-touch flush means fewer germs to pick up or leave behind. (Available on Cimarron K-6418 and K-6419)

Touchless Flush Kit
The no-touch flush upgrade kit (K-1954-0) brings a touchless flush to most toilets.
