Transitions Toilet Seat Adult Seat with Integrated Child Seat

Two seats in one.

The Transitions toilet seat accommodates both adults and children without requiring separate toilet seats. It's easy for children to use, easy to keep clean, won't slam little fingers, and the nightlight option will help guide you to the toilet in the dark. It's the perfect toilet seat for potty training and beyond

Integrated child-size seat

Makes it easy for children to use

Nightlight

Choose between two brightness levels for the task light that illuminates the bowl when the lid is lifted and the guiding light that illuminates the toilet when the lid is down

Quiet-Close™ technology

Lid, adult seat and child seat close slowly and quietly without slamming

Grip-Tight bumpers

Add stability and prevent shifting

Quick-Release™ hardware

Easily remove the entire seat for thorough cleaning

Quick-Attach® hardware

Speeds up installation and provides a secure fit

Easy installation

Installs as easily as a regular toilet seat
