San Souci® Toilets

THE BOLD LOOK
OF **KOHLER®**

San Souci® Toilets

With sleek curves and a low-profile silhouette, the San Souci one-piece toilet makes a strong design statement. A compact tank curves seamlessly into a round-front bowl for a space-saving profile.

Easy to clean design

One-piece toilets integrate the tank and bowl into a seamless design for quick cleaning

Easy to clean base

A concealed trapway and Clean Caps™ low-profile bolt caps make it simple to wipe the base clean*

Plug-free flush

The AquaPiston® flush engine delivers a powerful flush that virtually eliminates clogging

Water savings without sacrificing performance

1.28 gpf models can save up to 16,500 gallons of water per year and pay for themselves over time
