The busiest room deserves quality products

Built with convenient features and cutting-edge technologies, KOHLER® pull-down and pullout kitchen faucets are some of the most thoughtfully designed tools in the kitchen.

Created with kitchen tasks in mind, ProMotion® technology ensures effortless sprayhead control, while the MasterClean™ sprayface resists calcium buildup.

A wide variety of styles and finishes lets you express your style and creates an intriguing focal point in the kitchen. Lasting finishes resist wear, helping to keep your faucet looking new through years of cooking, cleaning and whatever else life throws at it.

Convenient design. Efficient function.

KOHLER® pull-down and pullout kitchen faucets come with a range of sprays to help make light work of heavy kitchen loads. Select faucets also feature our innovative magnetic docking system, DockNetik®, that secures the sprayhead in place.

Secure Magnetic Docking
Sprayhead securely locks into place

DockNetik

Magnets positioned in the spout securely lock the sprayhead into place.

Sweep Spray
Forceful spray sweeps sink clean

Sweep™ Spray

Specially angled nozzles form a wide, powerful blade of water that sweeps your dishes and sink clean.

Additional Sprayhead Functions

Stream

Delivers an aerated, full stream of water – excellent for filling pots or washing hands.

Spray

Provides a broad flow of water for a variety of kitchen tasks.

Pause

Halts water flow to extend sprayhead beyond the sink.
