TOWELS

3600 : Towels

Unique hand-cleaning system. Combines a very high quality liquid detergent and an abrasive (but non scratching) towel of very high lubricity.

In addition to ordinary stains, Virax wipes also remove hardened grease, lubricants, adhesives, oil, tar, bitumen, ink, wax and many other obstinate stains such as coal, graphite and grass stains.

Cleans easily, quickly and thoroughly. A soft emollient is added to the cleaning agent soften and treat the skin.

No rinsing or drying required.

Leave no residues. Pleasant smelling (lemon).
