

# 6 MAINTENANCE

## 2940 - 2941 : Accessories for Mini Visioval® and Visioval®

### Guide Ball for Mini Visioval®:

(ref. 294112) enables to center the camera in the pipes Ø 70 mm to Ø 100 mm.

### Centre guide:

(ref. 294021) for pipe diameters 70 mm (min) to 150 mm (max). For centring the camera in larger diameter pipes.

### 24 spare brushes:

(ref. 294022) for creating 4 sets of 6 brushes, by cutting them to the most frequently inspected diameters and changing them on the centre guide 294021 (min. 70 mm, max. 150 mm).

### Extension for centre guide:

(ref. 294033) composed of a 7 cm tube and a 2nd 150 mm centre guide with brushes. Enables the head to be stabilised and improve guidance in pipes with diameters of over 120 mm.

### Guide ring with protection:

(ref. 294031) enables the lens to be protected from impact and acts as a centre guide from 50 mm in diameter.

### Protection cage:

(ref. 294041) protects the plastic dome of the 294040 against shock and scratches.

### Centring device with rollers:

(ref. 294042) improved head centring and guiding (from 294040) for inspections in Ø 100-150 mm (294040).

### Kit of 10 plastic domes:

(ref. 294043) allows replacing the plastic dome of the 294040 when scratched or damaged.

\*\* Only works in conjunction with ref. 294028.

\*\*\* Only works in conjunction with ref. 294021 (ref. 294020/294030 only).
