THE BOLD LOOK
OF **KOHLER**®

Veil® Intelligent Toilet

The flowing lines and balanced curves of the Veil intelligent toilet are the epitome of minimalist design. Veil's suite of finely tuned features provides optimum hygiene options along with personalized comfort for a complete clean.

Comfortable clean

Veil features intelligent, integrated bidet functionality for personal comfort and cleansing. It's a soothing alternative to toilet tissue alone.

Personalized clean

User pre-sets enable personal comfort and cleaning. Choose between pulsate and oscillate functions for the bidet spray, and set the shape, position, water pressure and temperature of the spray to your liking.

Individual comfort

For added comfort, Veil features a heated seat and air dryer, both with adjustable temperature settings.

Easy to clean

The fully skirted one-piece elongated vitreous china toilet bowl and tankless design make Veil easy to keep clean.

Clean space

Veil includes an automatic deodorization function for a fresh space.

Hands-free clean

Veil features a motion-activated automatic lid and seat as well as automatic flush.

Self-cleaning bidet wand

UV light and an electrolyzed water system ensure the stainless steel bidet wand is sanitized.

Water-saving flush*

Choose between a 0.8-gallon flush for fluid waste and a 1.28-gallon flush for solid waste—saving water without sacrificing performance.

Other features include:

- Automatic bowl nightlight
- English-language wireless remote control with LCD touch screen
- Emergency flush feature for power outages
