

## 5 ■ SOLDERING / WATERPROOFING / ROOFING

### 5270 : Cobraz® Accessories

| Description   | Type              | Kg    | Ref.   |
|---|-------------------|-------|--------|
| Pair of electrodes with holder                                  | Prismatic         | 0,090 | 527030 |
| Pair of electrodes with holder                                  | Rod / cylindrical | 0,120 | 527032 |
| Pairs of electrodes without holder                              | Rod / cylindrical | 0,020 | 527038 |
| 5 x Pairs of electrodes without holder                          | Rod / cylindrical | 0,260 | 527033 |
| Soft soldering Ø 2 mm - 250 g                                   | -                 | 0,250 | 528346 |
| Smarflux: Brazing paste for preparing the braze of copper pipes | -                 | 0,280 | 528420 |

## RUBBER HOSE

### 5280 : Propane/Butane Rubber Hose

In accordance with NF EN 559. Ø 6 X 12 mm.

| Packaging     | L m   | Connection "    | Connection "                                   | Kg    | Ref.   |
|---------------|-------|-----------------|--|-------|--------|
| PVC box       | 4,00  | Left M 16 x 1,5 | Swivel coupling, Straight coupling             | 0,580 | 528013 |
| Plastic bag   | 10,00 | Left M 16 x 1,5 | 2 straight couplings                           | 1,400 | 528037 |
| Plastic bag   | 4,00  | Left 3/8"       | Swivel coupling, Straight coupling             | 0,570 | 528012 |
| Dispenser box | 40,00 | -               | Supplied without couplings with 20 hose clamps | 6,230 | 528040 |
| Bulk          | 20,00 | -               | Supplied without couplings                     | 2,600 | 528030 |

## COUPLING

### 5282 : Swivel Coupling

Swivel nipple coupling.  
Avoids the hose wrapping around the handle.  
For fitting bear directly onto the nipple.  
In accordance with NF EN 560.

| Thread size     | Kg    | Ref.   |
|-----------------|-------|--------|
| M 16 x 1,5 Left | 0,055 | 528210 |
| 3/8" Left       | 0,060 | 528211 |
