### Stand-Alone Style

Our expanded offering of floor-mount bath fillers comes in a range of styles from traditional to contemporary and everywhere in between, so you can complement your bathroom decor no matter the aesthetic. Because the bath fillers are mounted to the floor, your bath's deck remains clear, furthering the timeless style freestanding baths offer. Select from four lasting finishes to personalize your look.

### Innovative Experience

These floor-mount bath fillers feature a single-post column that delivers water from the floor to the bath in a streamlined design. With a single-lever handle, you can control water temperature and flow. Models feature an integrated handshower for a versatile bathing experience.

### Lasting Performance

Designed to perform, Vibrant® PVD finishes resist corrosion and wear. They are tested to surpass industry standards more than two times the requirement. Choose from several finishes in order to create your dream bathroom.
