

Portable Access Pedestal

The IntraQ Portable Pedestal is an attractive entry pedestal that allows users to self-scan bar coded entry credentials.

Benefits:

- Allows guests to self-scan printed and mobile device displayed barcodes
- Frees ticket takers to perform valuable customer service functions.
- Fast and reliable validation in indoor and outdoor environments
- Battery powered
- Portable and easy to move
- Available in multiple finish colors

Features:

- Media Validation** Validates all types of 1D/2D printed and digital (mobile phone) barcodes
- Fast Entry Throughput** Intuitive for guests; highly responsive validation – can accommodate up to 30 entries per minute
- Bright TFT Display** Color displays provide customizable visual instructions for guests; a touchscreen interface allows operator to access administrator functions
- Attendant Notification** LED lights on the rear of the device notify attendants of presented credential status
- Custom Graphics/Audio** Allows customized screen graphics and sound files to be associated with presented credential status
- Server Communication** TCP/IP based via wireless communication
